Dear Joseph

Planning consultation: Wellesbourne & Walton Neighbourhood Plan - SEA screening report - Stratford on Avon District Council

Thank you for your consultation on the above dated 18/08/2017

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Strategic Environmental Assessment Screening

We welcome the production of this SEA Screening report. Natural England notes and concurs with the screening outcome i.e. that no SEA is required.

Further guidance on deciding whether the proposals are likely to have significant environmental effects and the requirements for consulting Natural England on SEA are set out in the [National Planning Practice Guidance](#).

We would be happy to comment further should the need arise but if in the meantime you have any queries please do not hesitate to contact us.

For any queries relating to the specific advice in this letter only please contact Felicity Bingham on . 02082 256387. For any new consultations, or to provide further information on this consultation please send your correspondences to consultations@naturalengland.org.uk.
