

Input to Wellesbourne & Walton News – December Edition

The Neighbourhood Plan questionnaire is now open for your input!

By now we would hope that you will have received a leaflet through your door and seen posters advertising that the Neighbourhood Plan questionnaire is “live” and inviting you to go on line at www.w-w-w.org.uk to have your say about shaping the future of our villages!

The questionnaire will remain open until 5th January and asks your views on a whole range of topics covering traffic, parking, housing, jobs, open spaces, healthcare, leisure and education, plus anything else you would care to share with us! The on-line version is easy to access and should take no longer than 15 minutes to complete. However, if you prefer, a paper copy can be picked up at the Parish Council offices and the Library during their normal opening hours.

“Drop in” sessions are also taking place for those who might need help in completing the questionnaire which will take place at the following times and places:

Precinct Cafe on Tues 2nd Dec’ between 2pm and 4pm

The Stag’s Head pub on Mon’ 8th Dec’ between 6pm and 8pm

Library on Wed’ 17th Dec’ between 2pm and 4pm

Precinct Cafe on Mon’ 5th Jan between 2pm and 4pm

For those of you that may not be able to get around too well, arrangements can be made to deliver a paper copy of the questionnaire to your home and to help you fill this in if required. You can call us on 07967 057448 and leave a message stating how we can get back to you. A special version of the on-line questionnaire has also been prepared for children and young people that can be accessed on the website at www.w-w-w.org.uk.

As an added incentive, a free prize draw of an Apple mini iPad is being offered to one lucky resident that lives in the Parish of Wellesbourne and Walton who successfully completes and returns the questionnaire in time! Terms and conditions apply which will be notified later.

People in adjacent Parishes will also be offered the opportunity to contribute their views on the basis that they are likely to use of the services and amenities provided in Wellesbourne.
