

## **The Neighbourhood Plan is ready for you to review!**

The Neighbourhood Plan draft report has now been released for comment! We look forward to receiving any views you may have on the policies that are being proposed. These are expected to have an influence on planning related issues affecting our Parish over the next 15 years!

By now, every household, business and land owner within the Parish should have received a leaflet explaining what the Neighbourhood Plan is setting out to achieve, along with guidance on how to access the report and to leave any comments. If you have not received this leaflet then please go to our website at [www.w-w-w.org.uk](http://www.w-w-w.org.uk) where you will find links to all relevant information. Copies of the draft report are also available to read in the Library and the Parish Council offices.

If you don't like using the internet and find it difficult getting about then please call 07967 057448 and leave your name and 'phone number. Someone will get back to you as soon as possible to assist.

In order to help clarify any points within the draft report, members of the Neighbourhood Plan team will be hosting "drop-in" sessions throughout the consultation period. These will be held in the Precinct Coffee Stop Café at the following times.

Tuesday 5<sup>th</sup> July - 10am to 11.30am

Wednesday 20<sup>th</sup> July – 2pm to 3.30pm

Thursday 4<sup>th</sup> August – 10am to 11.30am

In addition, on Saturday 23<sup>rd</sup> July, between 11am and 3pm, we will be hosting an open forum session in St Peter's Church Hall where you can come along and see a wide variety of posters and maps that provide details on the policies that are being proposed.

The draft report will remain open for your comments until Saturday 6<sup>th</sup> August, after which all feedback will be reviewed and changes made where this is supported by the Parish Council. Don't miss the chance to have your say as this is Your Neighbourhood Plan!
