

Input to Wellesbourne & Walton News – January Edition

Last chance to complete the Neighbourhood Plan survey!

The Neighbourhood Plan survey has now been open for your input since mid November and will close on 5th January. ***If you haven't already taken the opportunity to have your say, then time is running out!*** You can either go on-line at www.w-w-w.org.uk to complete the adult or young person survey, or you can pick up a paper copy from the Library or the Parish Council offices. For those of you that might not be able to get around too well, if you call mobile 07967 057448 and leave your address, someone will deliver a copy to your door! The final "drop in" session will be held in the Precinct Café on Mon 5th Jan between 2pm and 4pm where someone will be on hand to discuss any points you have about the survey, and to help you complete this if you wish.

So far we have received a huge number of comments from local residents and businesses plus people from adjacent parishes, for which we thank you all very much. We have enjoyed meeting many of you at the various "drop in" sessions we have organised and at local events, such as the St Peter's Church Fair, the Christmas Lights Switch On and the Methodist Church Christmas Tree Festival. As you might expect, there have been a substantial number of views expressed at our engagement sessions about the level of new housing proposals for Wellesbourne although this has been matched by feedback on a wide range of other issues covering traffic, parking, healthcare, open spaces, education, jobs and the general economy of the area.

The team are now looking forward to reviewing all these comments and then starting the task of analysing the main messages and then developing the policies and proposals that will form the basis of our Neighbourhood Plan.

And don't forget, as an added incentive, to those of you that live in the Parish of Wellesbourne and Walton, you have the chance to enter a free prize draw to win an Apple mini iPad! Terms and conditions apply which can be found on www.w-w-w.org.uk

If you want to be kept aware of what we are doing, or would like to become involved in our work, then please send an email to info@w-w-w.org.uk or contact us on 07967 057448. Make sure you have your say in the future of our villages!

Happy New Year to you all from the Neighbourhood Plan Team!
