

## **Neighbourhood Plan Report released!**

We are delighted to say that the Parish Council has now approved the release of the Neighbourhood Plan report. This is now called the 'Referendum Version' as it will be used as the basis for residents to vote later this year whether to support the policies being proposed. The policies cover a range of land-use proposals including protection of local heritage and the environment, location and extent of housing, and promotion of the local economy.

The report is now with Stratford District Council where it is expected that the report will receive final approval at a Cabinet meeting in late July. Once that is done, a date will be arranged for a Parish-wide referendum where residents will be asked to vote as to whether or not to approve the Neighbourhood Plan as the basis for local input to future planning decisions affecting our community.

When the date of the referendum is known, this will be widely advertised throughout the Parish. Our understanding is that this will be organised by the District Council on the same basis as a vote at a General/Local election.

A copy of the Neighbourhood Plan report, along with supporting documentation, can be found on our website at [www.w-w-w.org.uk](http://www.w-w-w.org.uk) . As part of our promotion of the referendum, the Neighbourhood Plan team will be sending information by e-mail to as many people as possible. We already have several hundred residents who have agreed to receive updates by e-mail. If you would also like to receive information then please send a message to [info@w-w-w.org.uk](mailto:info@w-w-w.org.uk) just stating the word YES. You will then be added to our growing list!
