

Neighbourhood Plan advancing!

We have now received final feedback from the Independent Examiner on the policies we are proposing to include within our Plan! A copy of the Examiners report can be viewed on our website at www.w-w-w.org.uk. Just to remind you, the Independent Examiner is a qualified planning professional who has responsibility for confirming that our Plan is compliant with UK and EU planning regulations and meets specific conditions regarding environmental and sustainability standards. We are pleased to advise that our Plan has passed this examination, subject to incorporating certain amendments.

The Neighbourhood Plan team is now busy incorporating the recommended changes to our main Submission Report which will be presented to the Parish Council for approval, probably sometime during June. Once this is done, the Report will be sent to the District Council for final approval before release for general review within the community, ahead of a Parish-wide referendum, which will take place later this year. A simple majority in favour of the Neighbourhood Plan will ensure that our policies must be taken into account in any planning decisions affecting our Parish.

We will keep you updated on progress through future articles in this Newsletter. You can always contact the Neighbourhood Plan team to find out more about what we are doing by sending an e-mail to info@w-w-w.org.uk or by contacting us on 07967 057448.
