

## Input to Wellesbourne & Walton News –September Edition

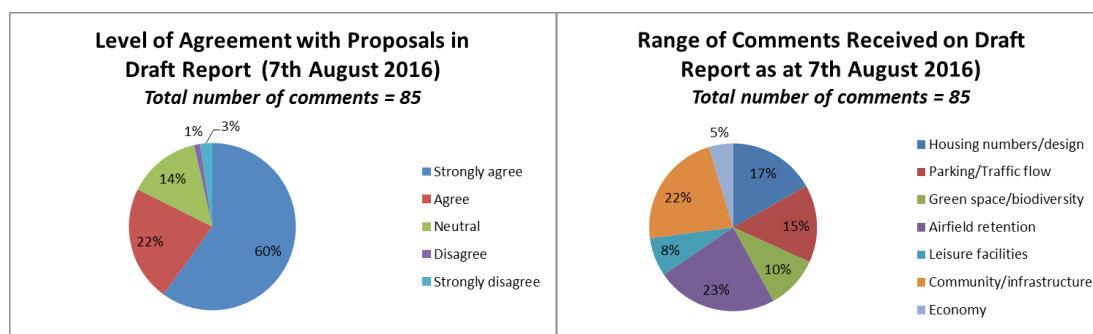

# A big thank you!

The consultation phase of the Wellesbourne and Walton Neighbourhood Plan is now over! Between the times of the Street Fayre on 11<sup>th</sup> June through until 6<sup>th</sup> August the draft report of the Neighbourhood Plan was available for comment by residents, businesses and land owners throughout the Parish.

In that time there were “drop-in” sessions and an open forum event held where many people came along to see the posters and discuss with members of the Neighbourhood Plan team the policies that are being proposed. We are now busy going through all the feedback that was received by e-mails, phone calls, paper responses to our leaflet and on-line at our website.

The charts below show both the level of agreement with the policies that have been made and the areas where comments were made. It is gratifying to see that the majority of people are supportive of what we are striving to achieve!

The key suggestions for amendments will now be reviewed with the Parish Council before acceptance of any changes to the report. More on this in next month's article along with an explanation of next steps in the process.

You can always contact the Neighbourhood Plan team to find out more by sending an e-mail to [info@w-w-w.org.uk](mailto:info@w-w-w.org.uk) or by contacting us on 07967 057448.
