

## A big thank you from the Neighbourhood Plan team!

The Neighbourhood Plan team has been busy over the past month reviewing all of the comments received during the engagement sessions held earlier this year. We'd like to say many thanks to all that contributed views on what needs to be addressed as part of shaping the future of our villages!

We are now compiling a questionnaire based on this feedback which will be launched in mid November and will remain open until 5<sup>th</sup> January next year. The questionnaire will be asking for your opinion on a whole range of topics covering traffic, parking, housing, jobs, open spaces, healthcare, leisure and education, plus anything else you would care to share with us!

There will be plenty of publicity coming out over the next month which will explain how you can access the questionnaire, including a leaflet that will be delivered to every house within our Parish. The expectation is that the majority of people will choose to complete the questionnaire on line but paper copies will also be made available which can be picked up from the Parish Council offices and the Library. In addition there will be several "drop in" sessions taking place to help anyone in completing the questionnaire. These will be held in the Precinct Cafe and the Library during the daytime plus The Stag pub in the evening. Details of when and where these "drop in" sessions will take place will be notified nearer the time. It may also be possible to arrange for home visits to help those that find it difficult to get about.

The questionnaire will be open to all residents who live or work in our Parish of Wellesbourne and Walton including children who will have their own version of the questionnaire to complete. In addition, people from villages just outside our Parish will be offered the opportunity to contribute their views on the basis that are likely to be users of the services and amenities provided in Wellesbourne.

As an added incentive, a free prize draw of an Apple Ipad Mini is being offered to one lucky resident that lives in the Parish of Wellesbourne and Walton who successfully completes and returns the questionnaire in time! Terms and conditions apply which will be notified later.

If you want to be kept aware of what we are doing or would like to become involved in our work, then please leave a message on our website [www.w-w-w.org.uk](http://www.w-w-w.org.uk) or send an email to [info@w-w-w.org.uk](mailto:info@w-w-w.org.uk). Make sure you have your say on the future of our villages!
